

A Love Letter to my Fur Baby, **Willow**

Willow, the moment I met you, I fell in love with you.

Your energy, your zest for your life, your curiosity, your unlimited affection, I feel in love with you.

Willow, the unconditional love you showed me in your short 14.5 years with me, is indescribable.

Your penchant for creating chaos wherever you go, the love bites you gave me and my furniture, and the furry dust bunnies you left behind, I will never forget.

You taught me so much.

Willow, oh **Willow**, how I miss you so.

You are an incredible soul.

When you left me here, part of my soul and heart left with you. I am forever a fractured soul.

I will remember you with every breath I take.

I will remember you with every walk. I will remember you always and forever.

Willow, oh **Willow**, how I miss you so.

Until I see you again my baby, I will remember you every day in the joyous memories you left me.

I love you so. I love you more than you know.
