

MARGARET LYNNE DOWD  
JUNE 6, 1948 – OCTOBER 4, 2022

Margaret was a wife to Stanley, sister to Shirley, Janice, and Greg, daughter to May and Charles, a beloved Mom to Charlie and Jennifer, Grandmother to Christopher, and Aunt to Melissa and Stephanie.

She spent her life dedicated to helping people whether in her 38+ year career as a Nurse or sewing thousands of quilts and children's clothes for charity.

She was a loving, kind, supportive, encouraging, talented person but most of all, the best Mom any kids could ask for. She pushed us when we needed it, embraced us with tight hugs every chance she could, and had a fun sense of humor.

She never took life too seriously, loved spending time with her family, her dogs Baylee and Willow, and watching her bubble machine in her garden oasis.

Mom, you were taken too soon. The hole your absence creates will never be filled. We will miss you every day but will make you proud by living our best lives with you always on our minds. We love you more than you know.
